To Whom It May Concern:

It is my pleasure to write this letter of recommendation for Al Blencoe. I have had numerous opportunities to work with Al over the past twenty some years. As a police officer on the street years ago and Al as my 911 dispatcher he went way beyond any other dispatcher in providing information and details to insure our safety on the street. After becoming an Investigator Al continued to assist in keeping me informed and supplied with new technology and tools available to me to perform my job. Alan Blencoe is an extremely professional in his field and has never let up on his attempts to improve our skills in the field and to educate us to be better police officers.

As of January 2003, I have been the Investigator for the Lacrosse County District Attorney's Office with the authority as a Lacrosse County Deputy Sheriff. Al Blencoe has assisted me in numerous cases from homicide to drunk drivers and because of his assistance we have an outstanding conviction rate. Al Blencoe seems to have an endless supply of contacts in his field. He is highly respected by everyone I know in this office.

I highly recommend Alan for any position and strongly feel it will take little time for you to see the vast knowledge and professionalism he possesses. Please feel free to contact me at any time.

Sincerely,

Robert S. Muth
Investigator
